

Devonshire Lodge Practice
Drs Allen, Brewerton and Hall

ARE YOU INTERESTED IN HAVING A SAY IN HOW YOUR GP PRACTICE IS RUN?

At the Devonshire Lodge Practice we are working in partnership with the primary care trust and the National Association for Patient Participation (NAPP) to set up and run a patient participation group.

The idea of patient participation groups is to give patients a say in how their GP practice is run.

Currently we are looking for registered patients to become members of the group. The only requirements are, that:

- You are registered with the practice
- You are able to give some time to attend meetings (usually once a quarter)
- You are willing to work with the practice and with other patients to improve services.

If you are interested in becoming a member of the practice's patient participation group, then please write your contact details in the box below and leave them with the receptionist. We'll be in touch with further information.
